

What's Your Story?

Visit the FamilySearch booth for expert instruction on our products and to discover new ways to preserve your family stories for generations to come:

- **Discover Family Tree:** The universal family tree with tools for saving and sharing precious family photos and memories.
- **Attend Mini-classes:** Learn how to use the enhanced features of FamilySearch.org.
- **Try Indexing:** A way to “pay it forward” by helping to make more records available online.
- **Get the scoop:** Learn the details of recent news, including agreements with Ancestry.com, findmypast, and MyHeritage.
