

Change the Way You Work

TechSmith's suite of screen recording and video editing tools lets you make great content and collaborate with anyone. Communicate clearly, show what you know, and easily access your content wherever you are.

Snagit®

Screen Capture & So Much More

Snagit helps you provide better feedback, encourage teamwork, and create images that explain exactly what you mean. Quickly snag what's on your screen, enhance it with effects, and then share your creations instantly.

TechSmith Relay™

Organization-wide Presentation & Lecture Capture

TechSmith Relay allows anyone in your organization to easily record lectures, meetings, or trainings from virtually anywhere. Your entire campus or business can record videos and share knowledge seamlessly with our mobile and desktop recorders.

TechSmith Fuse™

Easily Import Mobile Media

Get photos and videos from your mobile device to your favorite TechSmith desktop products. Import an existing photo or video, or capture something new using the app's built-in camera. Then, use the editing power in Snagit and Camtasia to create custom, shareable content.

Morae®

User Experience & Market Research

Morae is a leading usability software that removes the guesswork from your decisions and helps you make products people love. Record and remotely observe user interactions, efficiently analyze results, and instantly share your findings with anyone, anywhere.

Jing®

Share Ideas Instantly

Try Jing for a free and simple way to start sharing images and short videos of your computer screen. Whether for work, home, or play, Jing gives you the ability to add basic visual elements to your captures and share them fast.

Screencast.com®

Video & Content Hosting

Easily store and share the great content you create using TechSmith products with Screencast.com. Share your captures through email or instant message via the short URL Screencast.com gives you, or use the embed code to post content on your blog.

Coach's Eye®

Mobile Video Analysis & Sharing

Record and share videos of any sport or activity directly from your mobile device for instant analysis and feedback. From golf swing to soccer drill and everything in between, Coach's Eye delivers "ah-ha" moments to help you improve.
